I would
About Gnomes
whereabouts.

He left a good
time ago.
Already...

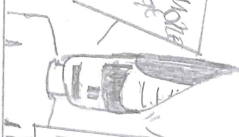

Our job
stopped
multiveases
in their
root, without
it, Energy is
flowing out
of their hands...

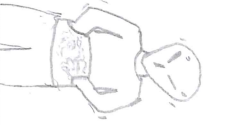

I need
some
fast food
to cure
my stomach.

Just one more
extra large
burger.

We're
going to
this next
whereabouts.

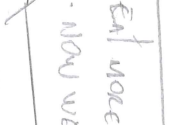

You
better
remember
this

I'm
pointing
it to your
coordinates

We'll eat more
later. Now we go.

Yeah!
AND they
are only
6 times
more
caloric
than
in our base
reality

These
burgers
are
delicious

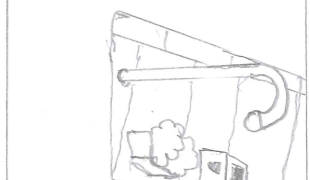

B U R G E R

Cholesterol,
fat,
sugar,
salt,
ALL 100% or
above it.

Besides
unknown
lifeforms
attacking
us (hiss)

We're
dead again
and the
drop is
multiple
times
the usual

You know they
for sure
we're in big
trouble.

Do you
think they
are coming
back?
